

Fur Fun Flyball

Rockin' Eve

Welcome Letter

2023

Thank You!

Thank you all for entering! We look forward to ringing in the new year with a fun weekend of flyball together!

Tournament Format

One (1) two-day limited tournament with 20 teams (8 Regular, 3 Multibreed, and 9 Open teams from 11 clubs), in 1 ring with 70+ ft of runback. The seed chart, racing formats, racing schedule and other info can be found here: <http://www.furfunflyball.com/rockineve.php>. There are 47 races Saturday and 33 races on Sunday.

Regional Info

This is a Region 9 tournament. Amanda Brown is the Regional Director. David Reinhart is the acting Regional Director. There is **NO CROSSLISTING** of dogs (i.e. a dog may be listed on **ONE TIMESHEET ONLY**). This tournament does NOT count for regular class regional championship purposes. This tournament DOES count for multibreed class regional championship purposes.

Titles/Awards

Each club will receive a welcome gift bag at the captain's meeting. There are no additional placement prizes. Please sign up dogs that earn NAFA titles during the weekend (and please only those that are earned at our tournament) on our posted sheets. We will give title ribbons to each dog that earned titles at our tournament. For custom ribbons (ONYX and above) make sure you indicate color choice(s). We will order custom ribbons after the tournament and get them to you at the earliest convenience.

Friday Night Turf Time

We are offering "turf time" Friday evening, from 4:00 pm to 8:00 pm. There is no turf time on Saturday evening. You may sign up starting at 3:30 pm on Friday. Cost will be \$5/5 minutes per lane. If you need an empty lane while you work, the cost is \$10/5 minutes.

Saturday Night Karaoke

Please join us Saturday night after racing for some karaoke fun!!!

Site

The tournament will be held at [Quicksilver Canine](#) in Julian, NC. The facility is heated/air-conditioned (bring layers if you tend to get cold), and has room for indoor crating for everyone (crating areas NOT pre-assigned). Please use the crating space efficiently, do not block any entrances, be respectful of others, and PLEASE leave some space between clubs. WE RESERVE THE RIGHT TO ASK YOU TO ADJUST/CONDENSE/MOVE YOUR CRATING AREA if space runs out. There are electrical outlets every so often and you are welcome to share them. Please plan to tarp your entire crating area (if you are crating on the turf). We will be setting up on Friday from noon until we are done. You may drop off any boxes, crates, etc..... after 3 pm and before 8 pm Friday night. Please pick up after your dogs; bags and containers will be provided. Please do not allow dogs to urinate on the building, on agility equipment outdoors, or on anything someone has to pick-up. Potty accidents on the turf carry a penalty of \$10.

We will have the garage doors closed and hvac on during the event.

Currently, there is no wifi available and cell phone connections INSIDE the building are severely lacking. We CAN get a reasonable cell signal outside the building (we use Verizon).

Entrances/Parking/RV/Camping

Let's make sure you are parking on solid ground and avoiding places where you might get stuck. If you need help with parking, please see Deb!

Please unload at front door (pink block), then proceed to RV/Car Parking area (yellow block). Depending on where you are crating indoors, a blue arrow door may be much closer to your crating area than through the front. There will be some front spaces available on a first come, first served basis, but please be considerate for those needing access to unload. Please do not block the road to the parking area.

RV camping – Please let LEERIE know if you are planning to RV camp (leerie.jenkins@gmail.com). No hookups. No electricity. Generators OK. You can fill up your fresh water tank from the front of the building. Also, there are bathrooms inside (no showers) which are available for your use. If you have any questions or concerns about your RV parking area, BEFORE YOU SETUP, level, pull out your slides, etc,... PLEASE CHECK WITH LEERIE or DEB to make sure you're in an acceptable location.

	9:00 am:	Captains Meeting
	9:30 am:	Racing Begins
	TBD	30 minute lunch break after race 22
	5:00 pm:	Racing Ends (estimated)
	5:30 pm:	Karaoke
Sunday:	7:00 a.m.	Building Opens
	8:00 a.m.	Racing Begins
	TBD	30 minute lunch break after race 64
	1:30 p.m.	Racing Ends (estimated)

WARM-UPS – 2 minutes for the weekend.

C-2 Forms

NAFA C-2 score sheets will be filled out with race schedules pre-printed. They will consist of one double-sided sheet for each team (some fit on one side). If you are using stickers be sure to bring one for each side/page of the form. Please do not bring entire C-2 forms. They will be discarded. **Team lineups may be changed or a performance team may be declared up until the first race of their respective division has started. After a race has been run in a division no lineups may be changed for any reason in that division. PLEASE CHECK YOUR C.2 FORMS CAREFULLY. ONE MISTAKE CAN COST YOU EVERYTHING!!! ONE DOG, ONE TIMESHEET (NO DOUBLE LISTING).**

Warm-up dogs on C.2 forms should be written in and must include a CRN.

Judges

Jon Bescher will be our judge for the weekend.

Technology

- There is currently no wifi in the building, and cell signals inside are spotty at best. As such, we will be using the heat tracker's race counter to show the CURRENT RACE. Due to the internet/signal situation, we will not be attempting to utilize flyballgeek this weekend.

Scoring

- Please refer to the seed charts for scoring format(s).

Line Judges

There will be no box judges at this tournament. If you see an empty line judge chair or hear a call for line judges, please fill the seat.

Vendor

[SpaceDog Treats](#) – Freeze Dried Treats for Stellar Dogs!

Food

- We will be taking a 30 minute lunch each day (after races 22 and 64).
- There are a couple of restaurants (Chinese, Italian, Mexican, and a Subway) and a grocery store (Food Lion) about 7 minutes away (Old Julian Rd x Woody Mill Rd). There are a number of fast food places (McD, Zaxby's, Bojangles, Wendys, Cracker Barrel, Smithfields, Hwy 55 Burgers/Shakes, Starbucks, Taco Bell, Pizza Hut) about 12 to 15 minutes away (I-85 exit 124). About 15 minutes away, near the intersection of I-40 and Gate City Blvd, there are many other restaurants (including actual sit-down restaurants). Please let us know if you need suggestions/recommendations.
- You are welcome to bring your own food and drinks, coolers, etc..... Please try to keep anything messy on the concrete or on your tarped crating area, and not on the turf.

Canine Respiratory Illness Concerns

With the recent concerns about canine viruses, we have a few guidelines we would like to share with you. Our goal is to keep every person and every dog in perfect health. It goes without saying that if you or your dog are experiencing any symptoms, please stay home.

Some suggestions:

1. Make sure your dog is up to date on recommended vaccines.
2. If you prefer it, please consider crating your dogs in your camper or car. If you crate them in the area outside your camper/car, make certain there is sufficient space away from other crated dogs that are not in your family group.
3. There are many acres to walk your dogs, so let's give every dog their space.
4. Dogs should be on leash when outside of the flyball lanes.
5. There are doors on the crating area side of the building and the front doors. Use whichever one is most convenient and be courteous of other flyball handlers and their dogs who are entering/exiting the flyball ring and building. Please do not let your dog approach other dogs without permission.
6. There should be plenty of crating space (with buffers) in the building on the turf. Please try to keep some a buffer zone between yours and other clubs. There will be up to 9 clubs crating on the turf and 2 clubs on the concrete.
7. We recommend no shared water bowls.
